'85 - (UPDATE) SAMS SCANNER MANUALS - Line thru #, denotes: OUT OF PRINT...

~~1~~ ~~2~~ ~~3~~ ~~4~~ ~~5~~ 6 ~~7~~ ~~8~~ ~~9~~ ~~10~~ 11 12 ~~13~~ 14 ~~15~~

---

The above is new update for '85. - NOTE #'s 219 and 251 are back in print. (I guess there was a large enough demand).....

Have noticed that the price on used volumes (CB) has dropped on the 'flea market', but out-of-print Scanner manuals - no one will part with!
