Bet you thought we would never publish SECRET CB Volume 28? SURPRISE!! We did it with your help and the expertise and hard work of our new editor, Les Jernigan.

I'm sure all of you will agree with us that he is to be commended for a job well done. We are excited about our new editor and the new format that he has given to the book.

As we have said many times it takes all of us working together as a team to accomplish the goal of releasing another volume of SECRET CB. So, please keep your articles coming.

It gets a little hectic around here sometimes, so if we leave your name off of the acknowledgement page we apologize for it. We do want you to call it to our attention and we will list your name in the next volume and of course send you a free book.

I have retired, but the excitement of another volume of SECRET CB always brings me back for enough time to be sure its done right. HA! Honestly, I do it because I love the excitement that goes with getting the book from the printers and ready to ship them out to all of you that share this excitement with us.

Remember the sooner you get your information to us the sooner we can get SECRET CB Volume 29 to you!!!
