

SERVICE BULLETIN

MODEL 2679 MICROPHONE COIL CORD WIRING

Refer to new coil cord assembly, PN 878945

Below is the color code for wiring the cord to the microphone connector. The column on the right represents the wire-to-plug connections for the "old" cord, while the column on the left contains the color code and the connections for the "new" cord.

Use this chart to wire any necessary changes in the Model 2679 microphone coil cord.
